# Soil Supermix 1L Bionova

**Brand:** Bionova
**Price:** €17.98
**Reference:** JIWO311

## Short description

Soil Supermix 1L by Bionova is a highly concentrated soil fertilizer. With a concentration of 1:400 and an NPK of 7-3-6, it is formulated for the entire growth and flowering cycle. It stimulates root development and improves soil conditions. It can be used from the first week of growth until one week before harvest.
