5M Extension Cable for Humidity Control Sensor Wcs 1 (ECS 6) TrolMaster

Brand: TrolMaster
Price: €29.41
Reference: KZCG812

Short description

5M Extension Cable for Humidity Control Sensor Wcs 1 (ECS 6) by TrolMaster is an essential accessory for the WCS-1 sensor. It allows for extending the distance between the module and the sensor probe. The 5-meter length and resistance to temperature and humidity make it ideal for various environments.
